Re: Completion of Format Requirements

Dear Mrs. Stokes:

As per your recommendation I have added page numbers 21-25 for the claims and page number 26 for the abstract.

I left the line numbering requirement on the abstract. If this is unacceptable and requires revision, please advise me and I will remove the line numbering from the abstract.

Please advise me if there are any additional changes required for the file to be considered complete.

Again, thank you very much for your professional assistance in this matter.

Sincerely yours,

A handwritten signature in black ink, reading "John C. Jeppesen". The signature is fluid and cursive, with the first name "John" being the most prominent part.

John C. Jeppesen, DMD (Sole inventor)
